Dear Employer:

This is an important notice for your Earned Income Tax (EIT) and Local Services Tax (LST) filings. If you use a payroll provider to prepare and submit your payroll, please share this information with that provider.

Our records indicate that you are currently filing paper returns for your Earned Income Tax and Local Services Tax.

This letter is to advise that we will no longer be mailing employer booklets beginning in 2019.

To ensure your compliance to local quarterly filing requirements, we highly recommend using our online filing system. This is available to employers of all sizes, including self-employed persons and payroll providers. Just as with federal and state online filing, our system makes the process more efficient for everyone and has become a popular filing choice for many taxpayers.

Please note, employers with twenty (20) or more employees are still required to file online, per regulation updates that took effect in the 4th quarter of 2014.

The following link, <https://cumberlandtax.rba.com/CCTB/eReporting/>, will take you to our RBA E-reporting program. You may also access this from our web site at www.cumberlandtax.org.

Online filing training is available and our staff is prepared to assist you with this transition. To begin filing online, or to request online filing training, please call (717) 590-7997, option 3.

Thank you.
