

**2019 Annual Local EIT Penalty and Interest**

Beginning in 2020, the Cumberland County Tax Bureau changed their Annual Local EIT form to match the standard generic form available from the PA Department of Community and Economic Development (DCED). In doing so, penalty and interest percentages and example calculations were not included on the form or in the instructions.

Please see the following instructions on calculating these charges:

Penalty – Payable at a rate of 1% (.01) per month or any portion of a month that the earned income tax remains unpaid after the April 15<sup>th</sup> due date.

*Example: \$ tax due X 0.01 X # months unpaid = penalty*

Interest – Payable at a rate of 0.000082 per day of the unpaid tax after the April 15<sup>th</sup> due date.

*Example: \$ tax due X 0.000082 X # days unpaid = interest*

Questions regarding the calculation of these charges can be directed to the Cumberland County Tax Bureau at (717) 590-7997 or by email at [taxpayerservices@cumberlandtax.org](mailto:taxpayerservices@cumberlandtax.org).
