INSTRUCTIONS

A. General Information

WHO MUST FILE: All residents of the municipalities and school districts shown on the next page who are employed or self-employed, and all non-residents who work or are self-employed within the municipalities and school districts listed must file. If you receive a tax form but did NOT work, you must still return the form and indicate the reason that no income is shown (student, homemaker, disabled, retired, unemployed, etc.).

A non-resident is someone who lives in another state or country but works in PA. Please provide the physical work address, a copy of your Visa and/or Domicile State Return and PA Non-Resident State Return.

IMPORTANT: The accompanying tax return must be filed with this office by the indicated due date, even if no tax is due or if all has been withheld by your employer. Failure to file your return may subject you to a fine of up to \$500.00. Failure to receive a Local Earned Income Tax Return shall not excuse the failure to file any required returns or to pay any tax due.

WHEN TO FILE: This return must be completed and filed by all persons subject to the tax on or before April 15 regardless of whether or not tax is due. If you file a Federal or State Application for Extension, check the extension box on the front of the form and send this form along with your estimated payment by April 15.

WHERE TO FILE: Remit to the local earned income tax collector for each address in which you lived during the year. Non-resident taxpayers should remit to the collector for their physical work location in PA.

AMENDED RETURNS: If a taxpayer amends his federal income tax return, an amended local earned income tax return must also be filed with the local earned income tax collector.

RECEIPT/COPY: Your cancelled check is sufficient proof of payment.

PENALTY AND INTEREST: If for any reason the tax is not paid when due, penalty and interest will be charged. Any late, incorrect filing or payment may result in additional costs of collection.

ROUND OFF CENTS to the nearest whole dollar. Do not include amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar amount.

USE BLACK OR BLUE INK ONLY WHEN COMPLETING THIS FORM.

- (4) In calculating your credit for income taxes paid to another state or to a political subdivision, note that the same items of income must be subject to both your local earned income tax and the out-of-state tax.
- (5) **No credit for income taxes paid to another state or political subdivision may exceed your total local earned income tax liability.**

Credit for Taxes Paid to Other States: You may take a credit based upon the gross earnings taxed both in another state and in PA that is in excess of the PA state personal income tax rate.
